Your \$30.00 commitment (per child/per month) will provide food and clean water, medical care, educational opportunities, and other important life sustaining measures for a child(ren) living in the By Grace Disabled and Orphans Centre in Kayole, Kenya. By Grace is home and school to more than 250 children and is entirely dependent on donor funds. They receive no government assistance and the majority of the teachers and staff don't get paid. Many people in Kayole are homeless and most are hungry. The streets are largely unpaved and cluttered with garbage, sewage, goats, and chickens. Many of the homes do not have running water or electricity. Unemployment rates are consistently over 50% and many of the families cannot afford to send their children to school, while other children are left as orphans due to the AIDS epidemic. These are the children that reside at By Grace and need your sponsorship! 100% of your donation dollars go directly to By Grace; there are NO administration fees! Your generosity and help is very much appreciated!

STATEMENT: There might be a time where your sponsored child no longer attends By Grace due to medical issues, placement with a relative, or different educational opportunities. If this occurs, you will be notified and will be given the choice to sponsor another child, continue financial support of By Grace, or stop your financial commitment.
